

Peace II Extension - Outward and Forward Looking Regions

Organisation Name	Project Title	Summary Description of Activity	Amount Paid (£)
Centre for Contemporary Christianity in Ireland	Abigail Initiative	To provide an exchange of students and relevant learning/training in peace and reconciliation work between Northern Ireland and the Balkans, especially Serbia, Albania and Kosovo.	10,850
Community Foundation for Northern Ireland (CFNI)	Foundations for Peace Victims Empowerment Project	To develop and implement a project with the 9 members (including CFNI) of the Foundations for Peace Network on Victims Empowerment and to identify models of practice that can facilitate the processes whereby victims become agents of progressive change rather than agents of retribution.	41,655
NICEM	A Shared Future of Race Relations: from Europe to Northern Ireland	This project aims to bring expertise and experience from across Europe to inform and shape how Northern Ireland responds to its changing demographics and develop strategies on integration and good race relations that promote equality and respect diversity. On the basis of expertise and using training tools developed at the European level, it will enable the development of networks of co-operation across all communities in Northern Ireland who will be facilitated to develop strategies on integration and good race relations.	38,757
North South Rural Voice	Networking Across Rural Borders	The aim of this project is to bring opposing communities together to work towards a more equitable and fair society in the border region and by learning to work together to contribute to the promotion of positive community relations between differing sectors of the community. Specifically link rural constituents with policy makers on both sides of the border and to facilitate all parties involved to identify and deal with rural border issues on a cross-border basis.	78,052
Public Achievement	Youth Work in Contested Spaces	This project aims to create, deliver, field-test and refine a new model of youth work training for practitioners, working with young people on issues of violence in conflicted societies. The project will involve participants from the Middle East, South Africa, the Balkans, the Basque Region and Northern Ireland.	56,075
Tides Training	Dialogue for Peaceful Exchange	Project aims to develop a methodology that creates a setting and provides a pathway for overcoming division (through practical skills building, facilitating creative conflict management interventions that are locally relevant and building a training and development engine that builds a three level training system of coach, trainer and facilitator).	14,715

UNESCO	Voices of the Future, Legacies of the Past: The Perspectives of Children and Young People and the Role of Education in Reconciliation	To undertake consultations with 300 children and young people in three European regions that have experienced conflict (the Basque Country, Bosnia and Herzegovina and Northern Ireland) to gain deeper insight into their experience and understanding of conflict, its legacies in their region and its implications for the role of education in promoting the concept of reconciliation with different age groups.	59,330
